FASTcheck

Simple steps for quicker check-in

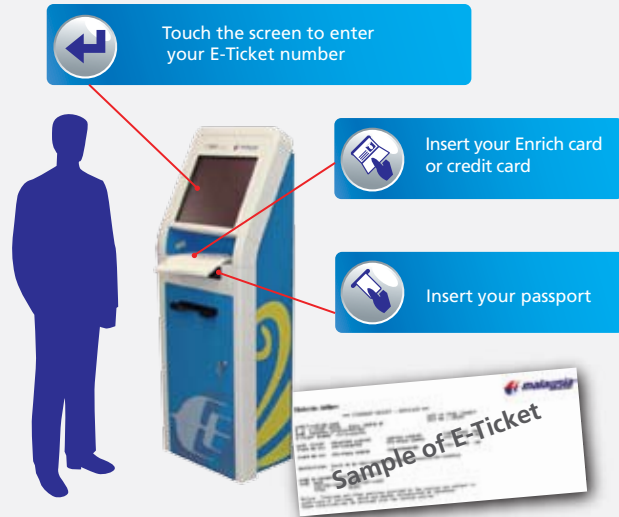

Experience 5-Star MH today.
This is Malaysian Hospitality.

What is FASTcheck?

FASTcheck is a self service check-in application which allows you to check-in at our self-service kiosks with a few simple steps.

3 easy ways to use the kiosks

- Enter your E-Ticket number or
- Insert your Enrich card or credit card or
- Insert your passport

Why use FASTcheck?

1. Check-in up to 48 hours before departure time
2. Choose your preferred seat
3. Easy and fast check-in for the following:
 - Direct flight
 - Connecting flight
 - Return flight

Who can use FASTcheck?

Any E-Ticket holder with a confirmed booking including a group up to 9 passengers per booking.

Upon check-in:

- Check that you have the required travel documents
- Check and confirm your boarding gate number
- Gate closes 10 minutes prior to departure

7 steps to use FASTcheck.

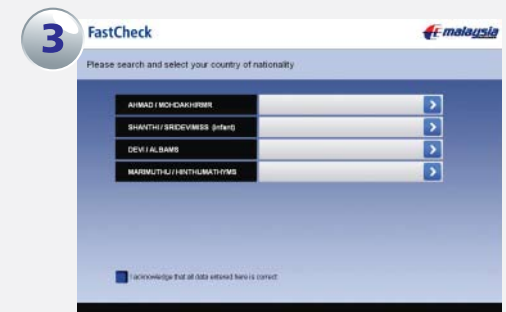

Once you have selected your preferred language, you may choose to:

- Enter your E-Ticket number or
- Insert your Enrich card or credit card or
- Insert your passport

For quicker check-in, select the E-Ticket option and enter your 13 digit E-Ticket number.

You are required to provide more details, as regulated by arrival country here.

You will be requested to confirm your flight details displayed on the screen. Seat change and updating of Enrich number can be performed on this screen.

Select the passenger name followed by your preferred seat.
